Statement on Compliance with REACH 1907/2006

This letter affirms that Wurth-Midcom will fulfill its obligations of the REACH Directive (Registration, Evaluation, Authorization, and Restriction of Chemicals). Article 33 of REACH requires Wurth-Midcom to inform its customers if products (Articles as defined in Chapter 2 Article 3) contain more than 0.1% (by weight of the article) of any substance or substances that are on the Substance of Very High Concern (SVHC) candidate list. This is a draft list and the final version will not be published until June 2009. Wurth-Midcom will monitor the status of the candidate list and inform its customers if an SVHC is contained in the products.

This statement is based upon SVHC information provided by our suppliers and others and that Wurth-Midcom may not have independently verified such information. This information is provided for your reference and does not constitute an expressed or implied warranty of any kind.
