## REACH Statement

Dear our valued customers,

AKEMD appreciate our obligations under REACH and the importance of compliance with "REACH" requirement.

Our product is LSI or semiconductors. Our LSI releases no substances in "articles" under normal or reasonably foreseeable conditions of use. According to "REACH" document, we conclude that our product "LSI" is not applicable for pre-registration or registration.

Therefore, we have no authority either for pre-registration or registration.

Please refer to the following quotation.

-- Quotation from "REACH" document --

*"Any producer or importer of articles shall submit a registration to the Agency for any substance contained in those articles, if both the following conditions are met:*

*(a) the substance is present in those articles in quantities totaling over one tone per producer or importer per year;*

*(b) the substance is intended to be released under normal or reasonably foreseeable conditions of use."*

- Concerning REACH confirmation,

We understand the importance to check the latest version on REACH web page and inform our customers of the latest SVHC substances in our products.

Moreover, according to customer's requirements, we shall inform the substances in our products. If "REACH" document is revised, we shall reconfirm "REACH" requirement.

Sincerely,

Responsible person: Tooru Sunami
